

2012-2013 Year End Logos Newsletter

Logos President Message.....

Every time I think of you, I give thanks to my God. (Philippians 1:3)

This verse makes me think of the Logos schools, teachers, parents, and Board members. It is because of them – because of YOU – that our children have the privilege of a Christian education in our public schools.

When I talk about the Logos Program, people are shocked! It's virtually unheard-of for public schools to allow a Christian alternative program to function alongside the regular program right within the walls of a regular school. Yet for us, it's a blessed reality. I pray that we do not take this opportunity for granted, but remember to continually thank God for providing this program – and its schools, teachers, parents, and Board – to our families.

Thank you Brentwood, Sherwood Heights, and Westboro schools for opening your doors to the Logos Program year after year.

Thank you teachers, school administrators, and other staff for implementing the Logos Program through one decade and into the next.

Thank you parents for being involved in your children's education, from attending meetings and fundraising to assisting with chapels and volunteering in the classrooms.

And thank you to the Logos Board members, many of whom have served faithfully for several terms, for ensuring that the Program is supported – both financially and through prayer.

As we break for the summer, may each of you be blessed with many moments of joy, many hours of rest, and many weeks of family fun...looking forward to the fall and knowing that, for another year, we have the assurance that our children's education will include God and His Word. Thanks to YOU!

Peace and joy,
Tyler

Doing good.....

As we have opportunity, let us do good to all people, especially to those who belong to the family of believers.

Galatians 6:10

Where can I do the most good, Lord? Direct me. Guide me to the people You want me to serve. I used to give only to random causes and organizations. My offering at church became my “I gave at the office” excuse when other needs arose. Then, Lord, You allowed me to personally experience small kindnesses. I came to understand how the little matters mean the most.

Create a clean motive in my hear, God. May I do good purely to honor You, and not my own reputation.

Help me reach out and establish real relationships. Even if my encounter with a person is for one day, one hour, one smile, this is my opportunity to serve You. I will wait, watch, and act on those opportunities.

(You are probably scratching head wondering where I’m heading with this..... well please see next page.....)

THE LOGOS BOARD NEEDS YOU!

Has God been nudging you to get involved?????

The Logos Board will have some vacancies at the end of this school year. Not only is it essential to the Logos Program to have these positions filled, but it is an excellent opportunity for you to become involved.

The time commitment is usually one Logos Board meeting a month and any extra time that may occur with your position. In most cases, it is less than 2-3 hours per month.

The positions that will need to be filled are:

- **Secretary**
- **Treasurer**
- **Brentwood School Rep**
- **2 Directors positions**

Please come to the Logos Society AGM Meeting Monday June 10th

2012 – 2013 Year in Review.....

Another awesome school year is coming to a close.....

Some of us are seeing our young children complete Kindergarten and get ready for the BIG Grade 1 in the fall.....some of us are amazed that our children are finishing their last year of Elementary school and stretching their wings ready to enter Junior High.....while yet others are prepping their teenagers to enter High School and are left wondering where the time went. Where ever you find yourself and your families, we have certainly had a great school year and are blessed to have our children in such an awesome program as Logos.

The Logos Board is very appreciative of the support you have shown us this past year with the Fall Apple Sale, February Silent Auction, and Spring Pizza sale. As a result, the Logos Board has been able to provide the schools with funding for: chapels, Library/classroom materials, the Logos elementary Fall Celebration, Sherwood Heights Fall Fest and Spring Retreat, Christmas Celebrations, the Grade 6Ls visit to Sherwood Heights, the "Bless our School" monthly events and finally the various "Wish List" items from each of the schools – for example – Brentwood's Bethlehem Walk field trip.

Thank you for your continued support of the Logos Board, which in turn supports the Logos Program and schools!!

Have a wonderful summer vacation!
